EMERGENCY HOUSING VOUCHERS

CDC will be accepting EHV referrals on 8/17/2021 at 8:00 a.m.

The Community Development Commission of Mendocino County is pleased to announce the waiting list will be opening for the new Emergency Housing Voucher (EHV) program on August 17th, 2021.

ELIGIBLE POPULATION

The EHV program is a newly designed rental assistance program to target and assist individuals or families who meet one of the four eligibility categories below:

1. Homeless,
2. At risk of homelessness,
3. Fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking, or
4. Recently homeless or have a high risk of housing instability.

I BELIEVE I MAY QUALIFY; HOW DO I APPLY?

All applications for the EHV program **must** be referred to CDC directly from a participating service provider.

Please refer to the column on the left, which includes the contact information for participating homeless service providers and dates/times the agencies will be accepting walk ins to answer questions. The service provider will determine if individuals or families meet the definition of one of the four eligibility categories listed above, then make the direct referral. Once CDC receives the referral, applicants will be placed on the EHV waiting list, and further processed for eligibility when their name reaches the top of the list.

HOUSING SEARCH AND SUPPORT SERVICES

CDC has devoted funds for EHV applicants for various types of housing search assistance. The following may be available to applicants participating in the EHV program:

- Housing Search Assistance
- Security deposit assistance
- Streamlined leasing process
- Rental application fees
- Higher Payments Standards for the EHV program

LANDLORD OUTREACH AND INCENTIVES

The EHV program is designed to promote a community wide commitment to the goal of ending homelessness. Because the success of the EHV program depends on the availability of units in the private market, landlords play a pivotal role in the success of the EHV program.

CDC has devoted funds for EHV applicants for various landlord incentives and support. Additional information will be forthcoming outlining the specific landlord incentives and types of support services that will be associated with the Emergency Housing Vouchers.

If you are a landlord and have questions regarding the EHV program, or would like to list your vacancy with our agency please contact us, we look forward to hearing from you!

Persons requiring an accommodation due to a disability may request such an accommodation at any time during this process.
