

XX. ADMISSION OF LIVE-IN AIDE OR FOSTER CHILDREN

A. LIVE-IN AIDE

1. The CDC will permit the live-in aide to reside with a disabled family as long as the live-in aide meets the criteria for the definition of Live-In Aide (see the Definitions section of this Plan).
2. In the case where a live-in aide is arrested at or near the premises of the Housing Choice Voucher participant for drug-related or violent criminal activity, the CDC shall advise the Housing Choice Voucher participant that the live-in aide cannot be housed with the participant.
3. The CDC will not be required to wait until conviction of the live-in aide, but will use the criteria of preponderance of the evidence.
2. None of the above-mentioned procedures precludes the Housing Choice Voucher owner/landlord from taking action to initiate termination for good cause.

Additional information regarding the addition of a Live in Aide can be found in Chapter III. M.

B. FOSTER CHILDREN

1. Foster children will be allowed as additions to the household if the anticipated length of stay is at least six (6) months.
2. Documentation from the Department of Public Health and Social Services agency responsible for placement must be provided prior to the placement of the child(ren), except in cases of emergency.
3. If the participating family requires a larger size unit, it will be issued as soon as possible.
