## NOTICE REGARDING CDC SERVICES AND COVID-19 SAFETY

**Effective March 19, 2020**

We are concerned about everyone's safety and wellbeing. With the recent recommendations for shelter in place in Mendocino County, I am closing the CDC offices starting Thursday, March 19<sup>th</sup> through June 15<sup>th</sup>.

**Starting June 15<sup>th</sup>, we will be having appointment only visits to our offices.**

**There will be updated information soon about how to schedule an appointment if you need one and the physical distancing requirements that will be in place.**

We encourage everyone to communicate with us by phone, mail and email. We have a drop box at our offices for mail. We will also have a desk and materials for writing notes. There will also be a hand washing station and a portable toilet for anyone to use during business hours.

We have prepared FAQs for our programs/services.

Please take care of yourselves and each other.

Sincerely,

A handwritten signature in black ink, appearing to read "Todd Crabtree".
